SWP candidate
for vice president

THE SOCIALIST WORKERS PARTY PRESENTS A FIGHTING WORKING-CLASS PROGRAM. WE NEED TO ORGANIZE TO FIGHT GROWING EMPLOYER ATTACKS ON OUR JOBS, WAGES AND WORKING CONDITIONS. Build solidarity with workers' struggles to organize and defend themselves. On this course, we can build and use union power on our own behalf, and for all those suffering blows by the bosses and their government. One union for all drivers — taxi, Uber, Lyft and other app-based and car service drivers!

MILLIONS NEED JOBS TODAY! Our unions need to fight for a federal government-financed public works program to put millions to work at union-scale wages building hospitals, schools, housing, mass transportation and much more that workers need. Fight for a sliding scale of hours and wages to stop layoffs and the effects of runaway prices. Cut the workweek with no cut in pay! For cost-of-living clauses in every contract that raise pay and retirement benefits to offset every rise in prices!

Demand immediate national government unemployment benefits at union scale for *all* those thrown out of work as long as they need it.

WORKERS NEED THEIR OWN PARTY, A LABOR PARTY. For our unions to lead a class break from the parties of the bosses, the Democrats and Republicans. A labor party can organize workers in our millions to fight in our own interest and in the interests of all those exploited and oppressed by capital. It can chart a course to take political power out of the hands of the capitalist rulers and establish a workers and farmers government.

WORKERS CONTROL OF PRODUCTION. Workers need to fight to wrest control of production out of the hands of the bosses. Employers care about profits, not the dangerous conditions we're forced to work under. This is the only road to take control of and enforce safety and health on the job. Demand the bosses open their books for inspection by workers and consumers. Workers control of production is a school for learning to run the economy ourselves, in the interests of all producers, a crucial step alongside building a labor party to fight to take political power.

The Socialist Workers Party candidates:

Kennedy & Jarrett join United Auto Workers picket line in Arlington, TX.

ALYSON KENNEDY grew up in Indiana, and joined the fight to desegregate public schools when she moved to Louisville, Kentucky, in 1975. Today she works at Walmart in Dallas, where she organizes with other workers for higher wages, better working conditions and for a union. Kennedy was one of the first wave of women who got underground jobs in the coal mines. In 1981 she was part of the strike of 160,000 members of the United Mine Workers of America, which was "one of

the most important educations in my life as I saw what workers can achieve when we unite and use our power."

MALCOLM JARRETT works as a cook in Pittsburgh, Pennsylvania. His family was active in efforts to defend African Americans in southern Missouri from assaults by cops and vigilantes. He also gained an appreciation there for the battles by farmers against foreclosures. He joined the SWP while organizing protests at Southeast Missouri State University against Washington's war against Iraq. Jarrett was part of the 2019 International May Day Brigade to offer solidarity with the Cuban people's six-decade-long fight against the U.S. rulers' embargo and to be able to speak more effectively about the example Cuba's workers and farmers government sets for working people everywhere.

FARMERS — WORKERS' ALLIES ON THE LAND. Fight for immediate government relief to fully cover farmers' production costs, including living expenses for themselves and their families.

No more foreclosures! Nationalize the land, guaranteeing its use by those who live on and till it, not "repo" seizures by absentee bankers, landowners, or capitalist farmers.

AMNESTY FOR ALL UNDOCUMENTED IMMIGRANTS in the US, a life-and-death question for the unions to unite workers and cut across divisions the bosses use to drive down wages. For access to driver's licenses for all.

OPPOSE WASHINGTON'S WARS. US hands off Iran, Venezuela and Cuba. US troops out of Afghanistan, Korea, the Middle East. End US colonial rule in Puerto Rico.

FOR RECOGNITION OF ISRAEL AND OF A CONTIGUOUS PALESTINIAN STATE. The leaders of Arab states, of Israel and Palestinian leaders need to meet and recognize both the state of Israel and an independent Palestinian state. For the right of Jews to return to Israel as a refuge in the face of capitalist crisis, Jew-hatred and murderous violence.

CUBA'S REVOLUTION — AN EXAMPLE. The Cuban Revolution in 1959 showed it is possible for workers and farmers to transform themselves in struggle, to take political power and uproot capitalist exploitation. End the US rulers' economic war against Cuba; US out of Guantánamo.

FIGHT POLICE BRUTALITY! Demand that cops who kill and brutalize people be prosecuted. Fight racist discrimination and the entire capitalist injustice system, with its frame-ups, "plea bargains," onerous bail and "three strike" prison sentences, all of which disproportionately hit workers who are Black. For the right to vote for ex-prisoners and all workers behind bars.

HEALTH CARE FOR ALL. Fight for universal, government-guaranteed cradle-to-grave health care, and retirement income for all.

WOMEN'S RIGHT TO ABORTION. Defend women's right to unrestricted access to family planning services, including the right to safe, secure abortions.

DEFEND POLITICAL RIGHTS. Defend the right to vote, to free speech and assembly and to bear arms, under attack from Democrats and Republicans alike. Defend freedom of worship. Stop FBI and other government spying, harassment and disruption. No to reactionary "cancel culture" and efforts to shut up people by public lynching through social media.

DEFEND RIGHTS OF PRISONERS. End solitary confinement. End suppression of the *Militant*, books and other newspapers by prison authorities. Abolish the death penalty, an anti-working-class weapon in the hands of the rulers.
